Messy Dress Guess Night

Basic Overview:

Messy Dress Guess Night is a fun night in which a number of fun nights are combined into one. Kids will be instructed to choose from a list of three possible fun nights and must come dressed and ready for only one of those. In opening time, you will put the names of all three fun nights into a hat and draw them out one at a time. Then you can see who made the best messy dress guess for your night. The fun nights we recommend using for this night are Backwards Night, Inside Out Night, and Mismatch Night. These specific nights were chosen because there is no overlap where the kids could dress up for two in attempt to get credit for another night. Emphasize that the kids must choose only one of these nights to dress up for or they do not get any credit.

Though these are included on the flyer, here is what is considered “dressed up” for these fun nights: BACKWARDS NIGHT - wear a hat, shirt, skirt, or pants backwards or by wearing shoes on the wrong feet. The more of these clothes that you wear backwards... the better! INSIDE-OUT NIGHT - wear a hat, shirt, skirt, socks or pants inside out! The more of these clothes that you wear inside-out... the better! MISMATCH NIGHT - wear clashing colors, stripes, polka dots, or flower prints that don't match or wear two different shoes that don't match on your feet! The more mismatched you are...the better!

They are a couple of ways that you can award points. (1.) You can draw just one fun night out of the hat and give a point or prize to every child who chose to that messy dress night. (2.) You could also give two points to each person who dressed in the way that you pulled out of the hat and 1 point to everyone who dressed up at all for the night. (3.) You could draw all three ights out one at a time and give out the most points for the first one you draw and less points for each subsequent one drawn out after that (for instance, give three points for those dressed in mismatched clothes (because that was drawn out first), two points for those dressed in inside out clothes (because that was drawn second), and one point for those dressed in backwards clothes (because that was drawn third).

Remember, next week is...

MESSY DRESS GUESS NIGHT

We cannot decide which fun night to do, so we'll just do a bunch of them all at once! Choose **only one** of the three fun nights below and wear your clothes in the way that it describes. In opening time, we'll put all three of these fun nights into a hat and then draw a fun night out. The most points will be given for those who made the right messy dress guess.

BACKWARDS NIGHT

Choose **BACKWARDS NIGHT** by wearing a hat, shirt, skirt, or pants backwards or by wearing shoes on the wrong feet! The more of these clothes that you wear backwards... the better!

INSIDE-OUT NIGHT

Choose **INSIDE-OUT NIGHT** by wearing a hat, shirt, skirt, socks or pants inside out! The more of these clothes that you wear inside-out... the better!

MISMATCH NIGHT

Choose **MISMATCH NIGHT** by wearing clashing colors, stripes, polka dots, or flower prints that don't match or by wearing two different shoes that don't match on your feet! The more mismatched you are...the better!
