

FUN NIGHT IDEAS

Crazy Hat Night

Basic Overview:

On Crazy Hat Night, the children are encouraged to wear a crazy hat. Ball caps, cowboy hats, sombreros, winter hats, dress hats, or other objects (towels, boxes, buckets, bowls, etc.) that look like a hat will count. Encourage the children to attach anything they like to their hat (i.e. balloons, paper, strings, etc.). Always make sure that they check with parents before spruce up their hat. Extra points can be given for any crazy hats and a prize for the craziest hat of all.

We have had some real creativity on these hats. One crazy hat winner in a previous year made a hat out of a plate and glued some pancakes, complete with fake butter and dried syrup on them!

Additional Ideas:

In game time, you may want to think of some games that require the child to balance something on their heads, or keep a balloon up in the air by bouncing it off of the top of their head.

Reminder Flyer:

See the flyer on the next page.

Remember, next week is...

CRAZY HAT NIGHT

Wear the craziest hat that you have and earn extra points for your class. There will be a special prize for the person that has the craziest hat!
