

# **FUN NIGHT IDEAS**

## *Mitten Mania Night*

---

### **Basic Overview:**

On Mitten Mania Night, the children are encouraged to wear some kind of gloves on their hands. Winter gloves, boxing gloves, hockey gloves, batting gloves, surgical/latex gloves, cleaning gloves, mittens, or any other glove will count. The children can even wear two different gloves, but the key on this night is that they need to have a glove on both of their hands. It is best to do this night in the late spring time, when they won't be wearing winter gloves already when they come to church. Extra points can be given for crazy looking gloves if you wish.

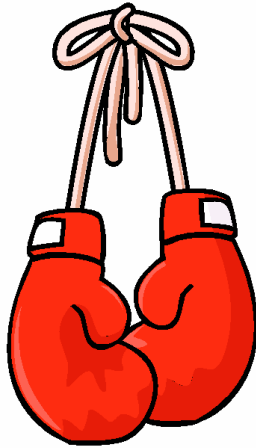

### **Additional Ideas:**

In game time you may try to create some games where the kids only use their hands to play.

### **Reminder Flyer:**
