

# **FUN NIGHT IDEAS**

## *Shoe Switcheroo Night*

---

### **Basic Overview:**

On Shoe Switcheroo Night the children are encouraged to wear two different shoes. If for instance they bring a tennis shoe and a dress shoe, try to encourage the children to also bring the other tennis shoe to play in game time. Extra points can be given for any extra silly or crazy shoes that are worn. You may also need to remind the children not to bring cleats as they may create some issues on your carpet or gym floor.

A little secret on this night...if two children forget to bring different shoes, they could swap one of their shoes with one from the other child. That way both children would have two different shoes on.

### **Additional Ideas:**

Think of ways to incorporate Shoe Switcheroo Night into your night. In game time, do some different games that relate to either having shoes on or having them off. Perhaps even a relay race where you take off your shoe, do the race and then put your shoe back on before the next person in line goes.

### **Reminder Flyer:**

See the flyer on the next page.

Remember, next week is...

# SHOE SWITCHEROO NIGHT

Don't forget to wear two different shoes next week! Everyone will earn extra points for their class by wearing two shoes that are not alike!
