## *Which Weather Night*

---

### **Basic Overview:**

Which Weather Night is a fun night in which a couple of fun nights are combined into one. Kids will be instructed to choose from a list of two possible fun nights and must come dressed and ready for only one of those. In opening time, there are two ways that you can choose a winner. (1.) you can put the names of both fun nights into a hat and draw one of them out. Then you can announce who guessed correctly and count up those children. (2.) You can also create a list of ten items. Numbers 1, 2, 4, 7, and 8 have Sizzling Summer Night next to them, while numbers 3, 5, 6, 9, and 10 have Winter Wonderland Night next to them. Then have a leader or child pick a number between 1 and 10 and announce the winner. It is recommended that you do this fun night in the spring or fall where either clothes could be worn. Emphasize that the kids must choose only one of these nights to dress up for or they do not get any credit.

Here is what is considered “dressed up” for these fun nights: Sizzling Summer Night - wear any kind of summertime dress including T-shirts, shorts, sunglasses, sandals or anything else that you might wear on a warm summer day! Winter Wonderland Night - wear any kind of wintertime dress including gloves, scarves, boots, sweaters, stocking hats or anything else you might wear on a cool winter day!

They are a couple of ways that you can award points. (1.) You can draw one fun night out of the hat and give a point or prize to every child who guessed correctly. (2.) You could also give two points to each person who guessed correctly and 1 point to everyone who dressed up at all for the night.
