

# **FUN NIGHT IDEAS**

## *Wacky Tie Night*

---

### **Basic Overview:**

On Wacky Tie Night, the children are encouraged to wear any kind of neck tie that they can think of. Extra points will be given for wacky ties and a prize is normally given for the wackiest tie. Some good suggestions are using things like balloons, socks, rope, or rubber gloves to make a tie out of, or adding things to an old neck tie of your dad's to spruce it up a bit. Always remind the kids to ask their dad's permission before using one of his ties.
