

FUN NIGHT IDEAS

Picture This Night (Double Take Edition)

Basic Overview:

How well do you really know your church building? This fun night is designed to send you kids and leaders on an exciting photo scavenger hunt around the church in search of various items. The goal is to find various objects and items around the church property and take a picture of your group standing next to them. Leaders should use their own cell phones to take pictures of the kids. The pictures can be emailed to you for later use (like an awards ceremony etc.) and then the leaders can delete them once the night is done (however, don't be too quick to delete them as you may need them to settle a tie score).

Prior to starting, print out the sheets of double take cards below and cut along the dotted lines. You will need to have a separate stack of cards for each team (and we recommend having each team's cards on a different color paper to help keep them separate).

A couple of rules that everyone will need to follow: (1) Take two strips of paper at a time. Go find the items and then send two runners back down to swap them out for two more strips of paper. (2) The goal is to find these objects around the church property and take a picture of your group standing by them. (3) Do not go into any room with adults, teens, or other children in them. (4) Ensure that your group stays together at all times (except when sending the two runners to get more clues). (5) Someone on your team has to be in the photo for it to count (except for the leader taking the picture) (6) No one should go outside the building for any reason. (7) Please put everything back once you are done taking a picture with it. Do not make a mess.

You may be surprised just how little you know about your church building! We have included a copy of the scavenger hunt list we created to give you some ideas of items that the kids can search for. You can alter the one that is included in the Microsoft Word copy of the flyer. There are probably other items at your church as well. Grab a note pad and pen and take a walk around your church and see what you can find!

Additional Ideas:

None.

Reminder Flyer:

See the flyer on the next page.

Remember, next week is...

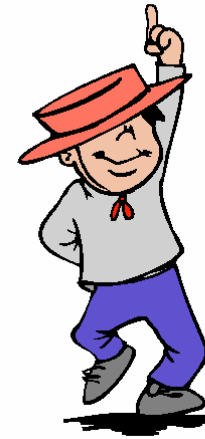

PICTURE THIS **NIGHT**

DOUBLE TAKE EDITION

Join us next week as we attempt to take a picture of the rare and exotic... fire extinguisher?! Teams will compete in an exciting scavenger hunt around the church trying to be the first team to snap pictures of every item on our list. Join us next week to find out just how well you know our church after all.
