

FUN NIGHT IDEAS

Splendid Scarf Night

Basic Overview:

On Splendid Scarf Night, the children are encouraged to create or wear a scarf made of whatever items the child would like to use. They are welcome to wear just a regular scarf, or create one out of items such as wool, balloons, foam noodles, strings, tin foil, cardboard, socks, etc. The more crazy their scarf looks, the better. Points should be given to every child who wears some kind of scarf. A special prize can be awarded in opening time to the person with the goofiest, craziest, or most creative scarf. As always, remind the children to check with their parents before doing anything to spruce up their scarf.
