Hello! My name is Murph! I want to welcome you to the China Expedition. We have quite an adventure ahead of us on this expedition. We are going to be learning all about the country of China and about a famous missionary who went there named Hudson Taylor. Along the way, we will also be learning about love. The Bible says that love should be growing in a Christian's life kind of like the way an apple grows on a tree. Everything is packed, and I can't wait to begin! Fill out your passport on the next page, and we'll be off!

Here is our map for the expedition! We have ten different camp sites along the way. We will start where the flag is, and I will let you know which camp site we are at as we go along. Let's go exploring. Off we go!

# CHECKPOINT 1

## Store it

Mark 12:31 –

...Thou shalt love thy neighbour as thyself...

---

### What is love?

Love is a choice to care for others in the same way that we care for ourselves. After giving the most important command, loving God, Jesus told the second most important command, loving others. He said that there were no commandments greater than these.

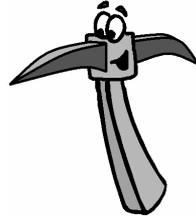

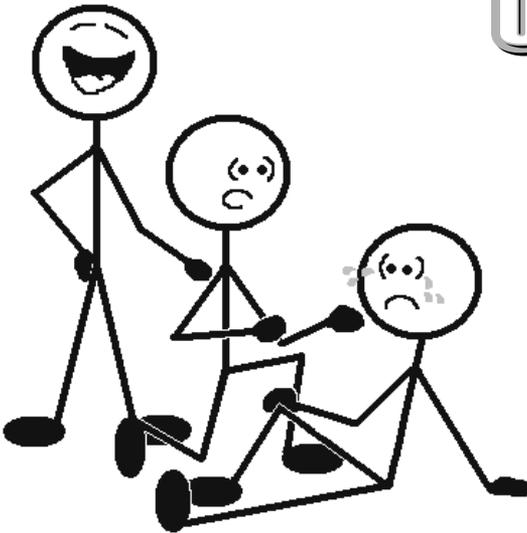

## See it

### TAKE A CLOSER LOOK

- “Thou shalt” means it is something you must do.
- A “neighbor” is someone around you.

Draw a circle around the boy who is showing love to the one who hurt his leg. Love others like you love yourself.

Use it

Complete this checkpoint by following the directions and saying this verse to your leader.

# CHECKPOINT 2

Dear Explorer,

Hello! My name is Hudson Taylor. I was born in England in 1832. My parents home schooled me because I was sick a lot as a child. My father was the town's pharmacist. When I was eleven years old, I got a job working at a bank. The other boys who worked with me made fun of God. I listened to them make fun of God, and soon I didn't want to go to church with my parents anymore. My parents prayed for me to get saved.

**John 15:12 –**

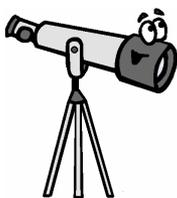

This is my commandment,  
That ye love one another,  
as I have loved you.

---

## What is love?

Love is a command that tells Christians how to act. Jesus told His disciples that He wanted His followers to love others just like He had loved them. Jesus served others, and He died for them. Jesus cares about others, and He wants you to act like Him.

### TAKE A CLOSER LOOK

- A “commandment” is an order or an instruction that you should obey.

Circle the box that this boy should look into to find God's commands. We show our love for God by following His commands.

# CHECKPOINT 4

## Did you know?

Missionaries have to learn a lot of things about the places that they will be ministering in. Did you know these things about the place you are exploring in this book?

## Copy Cat...

Missionaries get to see a lot of things that they may want to show to people back home. Years ago, they did not have cameras to take a picture, so they usually drew a picture. Draw two fish and an octopus, and then color your picture.

**Deuteronomy 6:5 –**  
...love the LORD thy God  
with all thine heart, and  
with all thy soul, and with  
all thy might.

---

## Who are you supposed to love?

Christians should love God. Jesus was once asked what the greatest commandment in all of the Bible was, and He said that the most important thing in the Christian's life is to love God with all of your heart. Do you love God more than anything else?

**See it**

### TAKE A CLOSER LOOK

- To love God with all of your heart, soul, and might means to love God with everything you are and have.

Christians should love God.  
This man is thinking about  
four things. Circle the two  
things that this verse says to  
love God with.
