A Guide for Parents and Leaders

Welcome aboard! Before we begin exploring, we want you as a leader or parent to be informed on how to navigate your way through this Expeditions book so that you can help your child get the most from it. This book was designed for children ages three to five years of age and contains elements to be done both at home and at church. Each Expeditions book is designed to help children better understand what missions is all about and to help them develop a heart for missionaries and mission works around the world.

The Hikers (3-5 Year Olds) Expeditions books are aimed at helping the young children to understand a little more about what a missionary is and the kinds of things that a missionary does. As you and your child move through this book, you will be learning a little more about each of the following areas:

- **The Places that a Missionary Goes** – Missionaries go to many far off places. These places can sometimes be very different from where they came from. Your child will find several coloring pages describing some of the places that missionaries go to tell others about Jesus.
- **The Ways that a Missionary Travels** – Missionaries go to other places, but how do they get there? And once they are there, how do they travel around? Your child will find several coloring pages showing the many ways that missionaries travel to and around various places on the mission field.
- **The Fruit of the Spirit** – Each of the Expeditions Books focuses on a different character trait or Fruit of the Spirit. This book will focus on what the Bible has to say about praise. It is the duty of missionaries and all Christians to praise God for who He is and for all the wonderful things that He has done. All of the memory verses in this book have to do with giving praise to God.
- **Every Day Life in Another Place** – Missionaries see different things in different places. This book will let your child see some of the things that the boys and girls in Burma grow up seeing and doing.
- **The True Story of a Missionary** – Throughout the Burma Expedition, we will be focusing on a famous missionary who went to Burma named Adoniram Judson, and we will see some of the great things that God did through this servant of the Lord.

Please make a note:

- Three and four year olds only need to memorize the words that are in **bold** in each verse. Five year olds will memorize the entire verse in each checkpoint.
- By completing three checkpoints each night at Expeditions, your child will easily get through this book by the end of the year. (For week one, complete checkpoints 1-3 (on pages 6-8), for week two, complete checkpoints 4-6 (on pages 9-11), etc.)

Grab your backpack, and put on your boots! This expedition is ready to set sail!

CHECKPOINT 1

The Life of Adoniram Judson

Hi! My name is Adoniram Judson. I was born in Massachusetts in 1788. I was very smart when I was a little boy. In fact, I was so smart that by the time I was three years old, I was able to read parts of the Bible to my father! My father was a pastor. I used to like to pretend I was a preacher like my dad. I loved to study and read books. I was very smart, and I became very proud. My proud attitude would soon get me into trouble.

CHECKPOINT 5

The Places That A Missionary Goes

Missionaries go to many different places. One of the places that a missionary goes is very hot and has a lot of sand everywhere. It is a place that has very little water to drink. Other things that you might find in a place like this are snakes, lizards, and cactuses. Can you guess the name of this place? It's a desert! Some missionaries go to deserts in places like Egypt, Australia, or Mexico to tell the people there about Jesus.

The Ways That A Missionary Travels

Missionaries have many ways to travel to different places on the mission field. One way that missionaries travel is on a ship. In the old days, missionaries traveled to and from the mission field by riding on a ship. This would often take many months. Some missionaries still travel by ship to get to where they are going.

Color this picture of a ship to remind you that missionaries use ships to help them travel to tell people about Jesus' love.

Missionaries were able to see a lot of things that they wanted to show to people back home. Many times they did not have cameras to take a picture, so they usually drew a picture instead. Do your best and draw a picture of a little worm in this box.
