

FUN NIGHT IDEAS

Fan-tastic Fan-atic Night

Basic Overview:

On Fan-tastic Fan-atic Night (also called Sports Logo Night), the children earn extra points by wearing something that has their favorite team's logo on it. These items can include shirts, hats, pants, socks that have teams logos on them. Logos can be from professional teams, their school team, a summer city team or any other sports team name on them. Remind the kids to avoid bringing things like sports equipment (helmets, bats, balls, golf clubs, hockey sticks, etc.) as these items are difficult to keep track of throughout the night

Additional Ideas:

Think of ways to incorporate Fan-tastic Fan-atic Night into your night. Spend extra time cheering in opening time (just like a fan may do). In game time, do some different games that incorporate a variety of sports.
