

Remember, next week is...

MISMATCH MADNESS NIGHT

Don't forget to wear things that don't match next week. Kids and leaders will earn extra points for wearing styles that do not go together (like a formal button up shirt and sweat pants or shorts over your pants), patterns that do not go together (like polka dots, stripes, and flower prints), colors that do not go together, or for wearing two different socks or shoes (these can be different sizes, lengths, and colors).
